

Whilst April felt more wintery than spring like, May certainly showed us a taste of summer with some lovely sunshine and warm temperatures. Some of you may have caught the Northern Lights last month and what perfect conditions to catch the stunning display.

The course is looking superb and special thanks to our greenkeepers for their excellent work. Thank you to those who have shared their kind comments about the course directly to us or via social media. Please do remember to follow us on Facebook and Instagram to keep up to date on news and competitions.

The Putting League started last month and the current leader is Martin Cope! If you haven't entered yet then it costs £10 and all money raised will go to Cancer Research. The player with the lowest combined 5 scores will be the champion.

Finally, the Sim Studio is close to completion and we look forward to inviting you all to the Opening Day soon!

Roger and Alan took on the Arran Challenge last month, which involved playing 7 courses on Arran. Well done to both on the successful completion of the challenge and for raising awareness for such a great cause. There is still time to donate and be in with a chance of winning a £100 shopping voucher: guess how many shots Roger and Alan took?

The total funds raised and the winner of 'nearest the total' will be announced on Captain's Day.

The Golf Sixes League returns again this year and our Juniors have shown great confidence in their play so far. We are very fortunate to have a strong and growing Junior section here at Casterton and we wish our Juniors the very best of luck this season!

The Tee Room serves freshly prepared meals throughout the day to suit any appetite. Invite friends and family to join you before or after your round. We also take bookings should you wish to gather a big group together to celebrate a special occasion.

A message from your Captains

What a great experience we had completing the Arran Challenge, all seven courses completed by my vice-captain Alan Eccles and I; along with the official scorer Stuart McPhilips (the only person who knows the final total!) We are allowing sponsors to guess the total up to the Clubhouse closure on the Wednesday before Captain's Day, then we can combine my records of guesses with Stuart's total to get the winner; if there's a tie then we will draw lots on Captain's Day. Some fantastic courses with some amazing views across the island. It was a first trip to Arran for Stuart and I, adding to my ever-growing total of courses played, which now stands at 196 so you know what the next target is and if all goes well I'm looking for a special venue for number 200.

I would like to thank again the organisers/coordinators of all our inter-club matches which do make June a very busy month with seniors games, Dales League, Three Counties and the Route Trophy.

Roger Whitaker

The season is well underway now and there is much to look forward to in the coming month. There is a Tuesday Stableford, two summer medal games and a Thursday Stableford /Ladies Day League game - all qualifiers for handicap purposes.

The highlight for this month will be Captain's Day on 22nd June. This will be an individual Stableford game with a 9am shotgun start. Sign up on BRS in any competition slot as a draw will be done for playing groups. The cost will be £15 which includes a two course buffet meal and prizes.

I look forward to seeing you all there and my fingers are crossed for good weather.
