A message from your Captains

The weather finally seems to have turned and it is lovely to see the course looking in such great condition. We had a lovely day playing the Clubhouse Cup with a nice buffet lunch afterwards. Many congratulations to all the prize winners. The ladies have played two friendly matches during April. We hosted a team from Kendal and had a very enjoyable game followed by afternoon tea. We then played away at Kirkby Lonsdale with a lovely team of ladies and were treated to fresh scones after the game.

We finally managed to play a qualifying game for the Thursday Stableford and this included the first of the six Ladies Day League matches. There will be a further Ladies Day League each month up to and including September.

The knockout competitions are now under way. Many of you will be organising and playing the first games this month. Good luck to everyone.

Angela Cherry, Lady Captain

What a welcome site to see the flags on summer greens and the ball actually bouncing, summer is coming. I would like to thank the Lady Captain, Angela, for partnering me in the CUGC Captain and Lady Captain 4BBB Championship at Appleby GC recently, apart from gale force winds and pouring rain it was a most enjoyable experience!

Thanks to all the competitors in the recent Clubhouse Cup, another great day on a well-prepared course with good food afterwards; and special congratulations to our President, David Quinn on his victory after a card play off with Keith Richardson after both scored 42 points. Also congratulations to Lady Captain on her victory for nearest the pin and to the 7 competitors who scored 2s that day; that must be some kind of record. The season's competitions now come round frequently with team matches too - any new member can join the 'friendly' matches rota, simply add your name to the list or let Steve Joel know your availability.

Finally, the sponsored trip to Arran begins on 13th May. Please sponsor my vice captain, Alan Eccles and I before Captains Day when the lucky winner of £100 shopping voucher will be announced. And thanks to Stuart McPhilips for acting as official scorer on the trip. Happy Summer golfing.

Roger Whitaker, Mens Captain
