

We hope that you have enjoyed the recent months of golf here at Casterton. The mild weather has continued and the course has dealt well with some of the rainy spells we have had. As the winter months close in now is the perfect time to make use of the SIM room as some members are already doing. Best to book ahead to avoid disappointment.

TROLLEYS IN WINTER - If there is a frost we do not permit the use of golf trolleys on the main course. Either play once the frost has lifted or use a carry bag (carry bags can be borrowed) or play on our PAR 3 Course where trolleys are allowed.

CHRISTMAS
Competition

Thursday 11th December

Green keeper news

You will have noticed a few ropes have gone up around the course. These are to cordon off particularly wet areas and to try to vary the paths taken throughout the winter months. Please respect the ropes as we all work together to try and keep the course in as good a condition as we can throughout winter.
