

As winter draws to a close I'm sure we are all looking forward to getting back on the golf course a bit more. We've already had a few quite warm days that felt like summer. The new golf season is now upon us and there are some great competitions to look forward to. At the end of March Karen retired from working in the cafe. We wish her all the best in her retirement. I'm sure we will see her on the golf course quite a lot.

A message from the captain

As Captain I want to wish all members an enjoyable year of golf. I hope as many of you as possible will take part in club competitions and new members are always very welcome. Please do not hesitate to approach me or Linda Carter, the Lady Captain, if there are any aspects of the Club you want to discuss. Best wishes for a good golfing season.

Stuart

SAVE THE DATE!!
Club House Cup Saturday 25th April.
9:00am mass start.
Please book in on BRS or in the clubhouse.
£16 entry with meal and prizes

Captains Drive In

What a fantastic day we had to kick off the golf season!

Stuart and Linda, our Men's and Ladies Captains, got things underway in style by teeing off down the 9th hole – a great start to what promises to be a brilliant season.

This was followed by a fun team competition with our club members, bringing plenty of laughs, great shots, and friendly rivalry with 6 people getting 2's and the team of Erik Worsley, Russell Smith, James Lamb and Charlotte Clowes taking 1st placed with only one point separating 3rd and 1st. The 5 minute hailstorm was just that extra special touch that made the day more memorable.

After the golf, everyone enjoyed soup, sandwiches, and cake in the clubhouse – the perfect way to round off the day.

A truly memorable day for all involved! We wish our captains the very best for the season ahead

Putting League 2026

After a hotly contested putting league in 2025 the putting league will be starting straight after the clubhouse cup on the 25th April and will continue through the summer and conclude on founders day on 12th September. This is a great way to practice your putting skills and raise money for a worthy charity. It is £10 to enter with all proceeds going to Cancer Research UK in memory of John Makinson. The putting green will be set up for the competition every Thursday and Saturday with your best 5 scores counting, with a maximum of 20 scores submitted.

Course closures

It is rare that the course is closed. In the event that the course is unplayable or unsafe due to bad weather then we will put a message on BRS by 9am.

Greenkeeper news

The spring maintenance jobs have now been completed including hollow coring the greens, top-dressing and lightly scarifying. This will help get the greens into shape for the season ahead. Overseeding has started and will continue helping get the bare patches back to full grass cover. The grass has started growing more quickly now so we will mowing a lot more and the course will soon be summer ready. Once the ground has dried the ride on buggies will be available for use.

Joining the club

The club here at Casterton golf course, which runs competitions and maintains handicaps, is run separately to the course. If you are a member of the course but not a member of the club why not consider joining, getting your handicap and playing in some of the competitions.

To join the club you need to fill in the application form for the club (copies can be found in a folder on the notice board). Once you have filled this in add your £40 annual joining fee (£25 juniors) and put that in an envelope and put it in the box underneath the desk in the foyer. You will then be issued with an England Golf membership number.

Getting a Handicap

To get your handicap firstly you need to join the club. Then you need to complete the equivalent of 3 rounds of 18 holes (you can play 9 holes) with someone who has a handicap. Once you have your cards post them into the box in the foyer. The handicap secretary will then be able to record your scores and calculate a handicap

If you don't have anyone to play with who has a handicap there are many of the members here who would be happy to mark a card for handicap purposes. If you don't know many other club members then coming along on a Saturday or Thursday morning for the members roll up which is a great way to get to know other members who will be able to help you out. Clubhouse staff can also help you find markers for cards.

Golf Shop News

We are excited to announce that we can now get Mizuno, Titleist and Motocaddy products. Please ask in the clubhouse about prices and club fitting. The new range of ladies clothes has arrived so please have a look in the golf shop at the vibrant new designs.
